The human disease network

Goh K-I, Cusick ME, Valle D, Childs B, Vidal M, Barabási A-L (2007) *Proc Natl Acad Sci USA* 104:8685-8690

What is health?

- WHO 1946: “..a state of complete physical, mental, and social well-being and not merely the absence of disease or infirmity...”
- The ability to adapt...
- The ability to fully recover from diseases...

Poster Prize

- Posters will be evaluated on both their scientific value as well as for the best poster on communication (judged in terms of ease of understanding, design and lay-out). The poster winners will be announced during the conference dinner on Thursday evening 8th September.
