June 25, 15:00-16:00 (CET)

On the occasion of NuGO's 20th anniversary, join us for a special NuGO ECN webinar celebrating two decades of collaboration and scientific progress.

Three of NuGO's founders will share their perspectives on key developments, lessons learned, and the evolving landscape of nutrigenomics and related research, concluding with a panel discussion.

**Prof. Em. Dr. Hannelore Daniel**  
Technical University of Munich, DE

**Dr. Ir. Ben van Ommen**  
TNO, NL

**Prof. Dr. John Mathers**  
Newcastle University, UK

*NuGO works with the GoToWebinar platform. Make sure to join a few minutes earlier to get all programme updates. Questions can be asked in the [question pane](#) or preferred live by actively opening your microphone.*
